

March 2024

Dear Esteemed Community Member,

Founded in 1973 in the Mission District, San Francisco Women Against Rape (SFWAR) is marking 50 years of supporting survivors and working to end rape. We are honoring this milestone with a series of events throughout the month of April 2024. Our keystone event titled *Rooted in Social Justice, Striving for Collective Liberation* will be held Friday, April 26, 2024 at the San Francisco Ferry Building Grand Hall. It will bring together an expansive array of community members committed to creating a world without sexual violence.

I am writing to request your kind and generous support of SFWAR through sponsorship of our 50th Anniversary Event. All Sponsors will be recognized in our commemorative program, which an estimated number of over 600 guests will receive. In addition, there will be special recognition of sponsors on our social media platforms, in outreach materials and newsletters — pre and post event, as well as recognition during the event. The varied levels of sponsorship are detailed in the enclosed Sponsorship Form.

For 50 years, SFWAR has provided support to sexual assault survivors, their families, and communities and has used education and community mobilization as tools of rape prevention. Our goal remains to one day be able to close our doors, because we have ended sexual violence. We hope you will join us and enormously strengthen SFWAR's work with your kind sponsorship.

Thank you for your consideration!

With deep appreciation,
